SUBJECT: Yes on HB 3193

Dear Chair Grayber, Vice-Chair Elmer, Vice-Chair Muñoz, and Members of the Committee,

My name is Chaune Schafer, I live in Portland, OR and I am writing in strong support of HB 3193, the Farmworker Disaster Relief Fund.

Farmworkers are often the first to experience the impacts of extreme weather conditions. Research has shown that agricultural workers are 35 times more likely to die from heat-related stress than workers in other industries. Extreme heat and drought also are fueling more intense wildfire seasons, and outdoor workers are increasingly having to deal with harmful exposures to wildfire smoke and unhealthy air quality.

HB 3193 will provide temporary financial relief to farmworkers in Oregon who lose work or wages due to extreme weather conditions. HB 3193 will define a “qualifying disaster” in regards to extreme weather as more than just extreme heat and smoke. This includes snow storms, ice storms, heavy raining, flooding, pandemics, etc. Conditions in which our farmworkers have continued working in despite the dangerous impacts to them physically and mentally.

Please help support and protect the people in our communities - they provide the food that is on our tables.

I urge you to vote YES on HB 3193, to provide protections and support for our farmworkers in Oregon.

Sincerely,
Chaune Schafer
