Committee: House Committee On Rules

Measure, Appointment or Topic: HJR3

I OPPOSE HJR3. Do not amend a pretty good constitution for this. It is already difficult to get enough signatures for a petition effort, now Oregon legislators want to make it even harder. MORE signatures are going to be required, and then every county has to be super motivated to gather signatures, or everyone else's effort goes down the garbage disposal. Maybe there will be county shaming! HJR3 is looking pretty darn unfair in my estimation.
