Measure, Appointment or Topic: HJR11

I strongly oppose HJR11. The initiative process is how "We the People" can put forth our ideas. Increasing the number of signatures required for an initiative will only make it harder for "We the People" to propose changes to our government. It will not stop all the out-of-state money that pushes initiatives and uses our state as a testing ground. Please do not pass this bill. Vote NO on HJR11.
