Dear Chairman Nosse and Members of the House Committee on Behavioral Health and Health Care:

My name is Natascha Yogachandra and I am a professional counselor associate. I am writing this letter in support of HB2029. Insurance audits are abusive and unfair, and limit access to care to the people of Oregon. Counselors deserve to know what is expected in audits so they can know how to document to pass them. Limits should be placed on audits so that providers do not have to live in fear by simply taking insurance. Please help stop this practice.

Thank you for supporting this bill.
