Measure, Appointment or Topic: HJR11

Dear Senators,

I Oppose HJR 11. As someone who has collected petition signatures, I know how much work it is for the true grass roots, hard working, Oregonians to gather enough signatures for a ballot initiative. Meanwhile, it will not stop people from outside of Oregon, with lots of money, to PAY people, to gather signatures. That is how so many bad initiatives have gotten on our ballots. So, if you really want to solve a real problem of too many BAD initiatives, please stop people from outside of Oregon from being able to get involved.

Please vote NO on this measure. It will hurt Oregonians, not help them.

Thank you,
Karen Schmidlin
