Measure, Appointment or Topic: SB159

I am submitting and advocating for Veteran plates to be allowed on motorcycles and mopeds in the state of Oregon. As a wife of a Marine, his service to our country should be honored by the state of Oregon in the same way it is recognized for motor vehicles.

My husband also serves on the board of a non profit 501c(3) Veterans organization that takes Veterans out on motorcycle and camping trips to combat Veteran suicide and PTSD. Most of these Vets feel forgotten about after their time of service. This simple designation to allow Veteran plates on two wheeled motor vehicles is a small gesture of gratitude by the state of Oregon for these men and women who served our country.

Thank you for voting in support of this measure.
