On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: HB3627

My name is Monique Bochsler, and I am here to express my enthusiastic endorsement of HB 3627. The scope of HB 3627 has been broadened to offer disabled veteran homeowners not only essential modifications like entryway ramps and handrails but also the opportunity to implement other vital improvements for their homes. This flexibility is crucial for many veterans to lead fulfilling lives. It is imperative that we support our veterans without hesitation. Thank you for your attention. Monique Bochsler.
