

Submitter: Monique Bochsler
On Behalf Of:
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB777

My name is Monique Bochsler, and I am writing to express my strong endorsement of SB 777. I urge you to support this bill, which mandates that compensation for injuries to livestock and working dogs under the wolf depredation compensation and financial assistance grant program be determined by fair market value and other relevant factors. As wolf populations increase, the impact on the sheep and cattle industries intensifies. Ranchers deserve compensation for their losses resulting from the introduction of wolves in Oregon. I have previously expressed my unwavering support for addressing these losses, whether from wildlife or fire. Thank you for your attention. Monique Bochsler.
