Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB2010

I am Monique Bochsler, and I am expressing my strong opposition to this bill. The proposed taxes contribute significantly to the high costs of healthcare, making it difficult for hospitals to offer competitive wages to their staff. This situation often results in strikes and interruptions in essential health services. Consequently, I strongly urge that these taxes not be enacted and that the bill be retracted. Thank you for considering my perspective. Monique Bochsler
