

Submitter: Mark Doyle
On Behalf Of: LTD
Committee: Senate Committee On Judiciary
Measure, Appointment or Topic: SB1124

I March of 2014 I was assaulted while working as an operator with Lane Transit District. I was struck in the head,neck and shoulder area approx 12-15 times over telling a customer to please not use profanity on the bus. I have also been spit on. There needs to be real consequences before one of our operators at our local agency gets tragically killed.
