

Submitter: Teresa DeLorenzo

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB108

The primary purpose of SB 108 is to encourage the practice of crop donation, which not only aids in reducing food waste but also addresses hunger in communities across Oregon. By extending the crop donation tax credits, the bill aims to provide financial relief to farmers, making it more feasible for them to contribute excess produce rather than letting it go to waste.
