Chair Nathanson, Vice-Chair Reschke, Vice-Chair Walters, and Members of the Committee,

My name is Lindsey, and I am submitting this testimony on behalf of myself and my community members in strong support of SB 108, which seeks to extend and enhance Oregon's Crop Donation Tax Credit. I know that a lot of my community members rely on the food bank and the food bank needs donations of fresh produce. Donations of produce are a critical part of the process to get healthy food to the community.

This will encourage farmers to donate surplus produce to hunger relief organizations like food pantries and food banks, or this credit provides financial relief to our farm/Oregon farmers who generously contribute produce to hunger relief organizations.

However, without this critical tax cut, it will be harder for farmers to make these valuable donations to help alleviate hunger.

Thank you for your time and consideration.

Sincerely,

Lindsey
