

Submitter: Ian Fridell

On Behalf Of:

Committee: Senate Committee On Veterans, Emergency
Management, Federal and World Affairs

Measure, Appointment or Topic: SB159

I am in strong support of this. Any way of recognizing our veterans who so many ride motorcycles as a form of therapy. Being an advocate of men's mental health, I know how much motorcycle riding has helped the veteran community in a positive way. I believe by showing support by issuing these kinds of license plates to them is just another way to support these men and women.
