Dear Co-Chairs Helm and Owens,

I am writing in opposition to HB 3501.

Oregon must protect the public interest in water right transfer decisions, as public interest reflects the needs and values of all Oregonians. As a state known for its pristine natural resources, I'm appalled that you are considering prioritizing private interests in such a way that could irrevocably damage fish, wildlife, and water quality.

I strongly urge you to oppose HB 3501!

Respectfully,

Shelby Danzer
