On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB2435

I, Cathy Jo Weed, as a registered voter in the State of Oregon, wish to state that I SUPPORT HB2435. For far too long, illegal registration practices have been allowed to continue. We have dead people voting, people illegally here voting, and non-persons voting. This takes away the fairness and freedom of our elections. If each county is required to submit its registrations, each month, we will have the ability to take note of anything questionable or outright improper. This will prevent the issue of bloated voter registration rolls, allowing the task of clean-up to take place more easily. Again, I SUPPORT HB 2435.

Thank you for your consideration of my stance.
