

Submitter: Dorothy Dougher
On Behalf Of: Public and anglers
Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water
Measure, Appointment or Topic: HB3501

Strengthen ecological and fair water use in perpetuity. It is our most important resource and must be protected by fair and accessible processes.
Increasing the appeal cost tenfold is a pittance to corporations that would grab our water and a real deterrence to the citizens who depend on and want to protect it.
