Measure, Appointment or Topic: HB3604

Please support HB 3604 on behalf of stray, abandoned, and rescue cats in Oregon. As a long-time volunteer with the Willamette Valley Humane Society and Friends of Felines, I have seen personally the sad plight of so many cats within our communities. Please help our feline rescue and adoption organizations by giving them the tools they need, including protection from liability. I urge your "yes" vote on HB 3604. Thank you.
