Dear Co-Chairs Helm and Owens,

I am a long-time Oregon resident that enjoys many outdoor activities, most of them dependent on healthy, clean and adequate water resources. I am writing in opposition to HB 3501.

Oregon should be doing more to protect the public interest in water right transfer decisions, not barring the state from considering impacts to fish and wildlife, water quality, and other public values.

I urge you to oppose HB 3501!

Sincerely,  
David Smith
