Measure, Appointment or Topic: HB2735

I am writing on behalf of NeighborImpact in Central Oregon to urge you to support HB 2735, with the -1 amendment. Please “Fix the Funding” for IDAs!

Every year, the IDA program helps so many Oregonians take a step-up in life purchasing important assets, increasing their households net worth, housing stability and financial security.

But the tax credits are not keeping up with inflation. Leaving Organizations like NeighborImpact in incredibly difficult position where have to chose between helping less families or offering less in match/family.

By passing HB 2735 -1, the Legislature can “Fix the Funding” and return the IDA program to solid financial footing. I urge you to pass this bill.
