

Submitter: John Cochran

On Behalf Of:

Committee: House Committee On Labor and Workplace  
Standards

Measure, Appointment or Topic: HB2548

It is very important that you all oppose HB2548 as it will have a devastating effect on our Oregon farmers. It is hard enough to run a business or farm without more regulations. Many businesses in Oregon are finding it hard to get people to work and adding unions or regulations will only make it worse.

Oppose HB2548??
