No one should have to go hungry. Use of food banks in Oregon has gone up markedly in recent years as hunger in Oregon grows in severity. Most vulnerable are undocumented immigrants who harvest our food and build our homes where our food is eaten. SB 611 would support the younger, under age 25, and older, over 55, persons who are undocumented by extending SNAP benefits to them. This bill if it becomes law would provide a humane support to people who do work that supports so many Oregonians.
