Committee: House Committee On Education
Measure, Appointment or Topic: HB3444

As a parent of an Oregon public school student, I am writing today in support of House Bill 3444. HB 3444 will fix a deep disparity currently happening in Oregon schools. Over the last ten years, charter school enrollment has gone up, but funding relative to enrollment has decreased, Public charter school students are public school students, and its past time to fund their education fairly.

Please Vote yes on HB 3444
