

Submitter: Shantel Schroeder

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB1063

Oregon is severely lacking in services of mental health, children services, especially children victims of vicious sex crimes. Our children are our most precious asset and we need to assure we have protections and safe guards in place, while also having the needed resources help overcome trauma instead of letting them fall through the cracks. Please vote YES for the betterment of our children
