Measure, Appointment or  
Topic: HB2548

I oppose the house bill 2548. This bill would be detrimental to my families business, a third generation farm and nursery. This bill would take away at will employment, let unelected officials set safety rules and wages, and would increase costs that will not benefit workers or consumers of agricultural goods. A bill like this would destroy family owned farms and businesses which is the heart beat of Oregon agriculture. Thank you for your time.
