Committee: House Committee On Commerce and Consumer Protection

Measure, Appointment or Topic: HB3167

To Whom It Concerns:

I'm writing today in support of HB-3167-3, which would create a basis for accountability for ticket scalpers. This practice SHOULD be expressly illegal—it hurts artists, venues, and consumers. A framework for holding these scalpers accountable is long past due, and I urge you to pass this reasonable and timely legislation. Thank you.

Respectfully,
