

Submitter: Katie Tracy

On Behalf Of:

Committee: House Committee On Education

Measure, Appointment or Topic: HB3444

I am a parent of a child that attends first grade at Gresham Arthur Academy. I chose a charter school because of the tight community and the wonderful teachers and the curriculum. My daughter is thriving in the school and really loves being a part of this community. I have witnessed the last two years a shortage of supplies and needs that are not being met. This only hurts our children. Please bless us with more funding!
