Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB684

Chair Pham, Vice Chair Anderson and Members of the Senate Housing Committee,

My name is Summer Boslaugh and I live in Senate District 21. I'm joining Portland: Neighbors Welcome in supporting SB 684 to establish a Construction Revolving Fund to provide below-market rate loans for mixed-income housing developments with permanently affordable units.

We need more housing across Oregon and I want legislators to be willing to explore all possible options to do something about it. Oregon is in a deep housing crisis, and high interest rates represent one of the most barriers to construction of new homes. I urge you to support SB 684 to direct the state to address this barrier and help build more housing across the state.

Thank you.
