Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB777

Lets be real. Several of the supporters of this bill do not own cattle, in fact several of them live west of the Cascades.

East of the cascades they have major problems with wolf predation.

I support this bill because the wolves don't have permission to be here and Oregon has this warped sense that we should let them stay and spend taxpayer money for their healthcare and education while they pay no taxes and refuse to send them back home.
