

Submitter: Susan Evans

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB681

Please support SB 681. We are allowing fossil fuel corporations to destroy our future. This bill is a creative and necessary step toward taking back our future. What has happened to pension funds across the country with private equity firms, secretly investing, long-term in fossil fuel projects is shameful. Oregon has the opportunity to lead in addressing this shame thank you for considering my comments.
