Measure, Appointment or Topic: HB3470

I am Monique Bochslwr, and I am expressing my support for this HB3470. The initial question on the voter registration form inquires about American citizenship. It is the responsibility of the Secretary of State to verify this information. It is unfortunate that such a bill is needed. I firmly believe that only American citizens should have the right to vote on the laws and policies governing our nation.

Thank you for considering my perspective.
