

Submitter: Kevin Fairham-Wheeler

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB688

To the Oregon Senate Committee on Energy and Environment,

As a former electrical utility employee, I stand in support of this bill. It is time that this industry puts the rate payer first in its corporate goals. This will give the OPUC the tools it will need to incent these fully regulated utilities to offer a reliable product at reasonable rates and avoid large stranded costs that will be passed on to rate payers.

I strongly support this measure.

Kevin Fairham-Wheeler
