Committee: House Committee On Rules

Measure, Appointment or Topic: HB3470

I am writing in SUPPORT of this bill. Election integrity has become a hot topic and in order to have our voters trust our voting system is to have transparency and honesty. Having the SOS cross reference information being sent, for accuracy, would be a step in the right direction to assure our voter rolls are kept clean and accurate, thus growing the trust of our Oregon voting systems. Please vote YES on this bill.
