

Submitter: Linda Deppe

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

As a family physician, I know how valuable food support is for low income patients. Kids need food to learn, and parents need food to work. Most undocumented persons work very low paying positions and since they are paying taxes , it is ethical to help support their family lives here in Oregon. Please allow support for families in Oregon to continue, in spite of their documentation status. Linda Deppe, DO
