On Behalf Of:

Committee: House Committee On Labor and Workplace  
Standards

Measure, Appointment or Topic: HB2548

Dear Chair Grayber, Vice-Chairs Elmer and Muñoz, and Members of the Committee,

I am Ed Glennon from Portland, Oregon. I strongly support of HB 2548 to create a Farmworker Standards Board in Oregon.

As a dedicated farmers market shopper, I am deeply aware of what we owe Oregon's farmworkers. Yet they've historically faced low wages and poor working conditions, language barriers, and the kind of anti-immigrant sentiment currently fanned by Trump. HB 2548 is an important step toward giving farmworkers a voice in setting industry standards. I understand this legislation will help ensure access to fair wages, safe conditions, and protection from retaliation.

Please vote Yes on this important legislation. Thank you.
