Measure, Appointment or Topic: HB2029

Dear Chairman Nosse and Members of the House Committee on Behavioral Health and Health Care:

My name is Gabby Hancher and am a registered associate in the state of Oregon.

I am a therapist in Portland area of Oregon and have been practicing for 2 years.

I am writing this letter in support of HB2029.

Insurance audits are abusive and unfair and limit access to care to the people of Oregon. Please help stop this practice.

Audits like these cause many providers to stop practicing due to clawbacks and other damaging insurance practices. In order for providers to be willing to take more types of insurance, better practices are needed to ensure our safety and livelihoods.

Thank you for supporting this bill.

Sincerely,

Gabby Hancher, Registered Associate
