

Submitter: Lisa Haines

On Behalf Of:

Committee: House Committee On Emergency Management, General Government, and Veterans

Measure, Appointment or Topic: HB2200

STOP WITH THE GREEN ENERGY. This could not be a more blatant scam. If big investment firms like Vanguard have abandoned the “Net zero” initiatives, then why is Oregon diving headlong into ONLY “net zero” initiatives? Oregon leadership couldn't be more embarrassing. As a lifelong Oregonian, it makes me sick to watch representatives like you trying to push through initiatives that have zero to do with the environment and more to do with your pocket books.
