On Behalf Of:	Oregonians for Free Speech
Committee:	House Committee On Labor and Workplace Standards
Measure, Appointment or Topic:	HB3789

I am in opposition of this bill for the fact that it infringes on first amendment protections of free speech. Specifically I am grateful for the outreach and work of the Freedom Foundation. They are a professional organization that provides needed education and options to people and this bill would limit their ability to do great work for people who want an alternate to their unions. Vote NO on HB 3789!
