

Submitter: Angela Pederson
On Behalf Of: Myself and other Public Employees
Committee: House Committee On Labor and Workplace Standards
Measure, Appointment or Topic: HB3789
To Whom It May Concern-

I am submitting testimony to oppose HB 3789 having been a Public Employee as a teacher in Oregon's Public Schools.

I appreciate being fully informed of my options as a public employee and am grateful for the professionalism of The Freedom Foundation in particular.

This is an issue of free speech and this bill serves nothing more than to silence great organizations like the Freedom Foundation. HB 3789 is not in the best interests of Oregon Public Employees but rather serves to protect current public employee unions who directly fund one particular political party. HB 3789 limits free speech and is biased towards one political party.

Please vote NO on HB 3789.

Sincerely,
Angela Pederson
