On Behalf Of: Mr Oregon OPPOSES SB 920
Committee: Senate Committee On Early Childhood and Behavioral Health
Measure, Appointment or Topic: SB920

I OPPOSE [SB 920]. The Extension Service should be consolidated-too many redundant services.

From the Text of [SB 920], "...SECTION 1. The Oregon State University Extension Service shall oversee a project to accelerate the promotion of behavioral health in Oregon by:

- (1) Convening local committees from across the behavioral health sector to develop a plan to promote behavioral health;
- (2) Facilitating community conversations about mental health and substance use; and
- (3) Contributing to any follow-up actions taken by counties or regions that choose to participate in the project....

[SB 920] is beyond the scope of taxpayer funding for services rendered.
