Measure, Appointment or SB5526  
Topic:

I run a food pantry in rural Oregon. We get most of our food from Food for Lane County. It is very important to have the support of the government to provide food to the people who are food insecure. We need FFLC to be able to provide to us to hand out to our customers. Please help the people of Oregon who do not have the security of having the food for their meals. We need this measure to pass. Thank you for caring.
