Dear Chairman Nosse and Members of the  
House Committee on Behavioral Health and Health Care:

My name is Christine Ober and I am a Licensed Clinical Social Worker.  
I am a therapist in the southern area of Oregon and have been practicing for over seven years.  
I am writing this letter in support of HB2029. Insurance audits are abusive and unfair and limit  
access to care to the people of Oregon. Please help stop this practice!

Thank you for supporting this bill!

Sincerely,
