

Submitter: Arif Kareem

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

I came to the U.S. as a foreign student for graduate studies and later decided to work for a company in Beaverton. The opportunity allowed me to work my way up over the years, eventually retiring as the CEO of a high-tech company. I see myself as having lived a small-scale American dream and strongly believe that no one should go hungry or face food insecurity and be able to live their dream.
