On Behalf Of: Mr Oregon OPPOSES SB 921  
Committee: Senate Committee On Labor and Business  
Measure, Appointment or Topic: SB921

I OPPOSE [SB 921].

From the Text of [SB 921], "...SECTION 1. The Oregon Business Development Department shall study needed investments in shipyards in this state..."

When will you learn?

There is 'No' budget allocation and or funding source(s) for " The Oregon Business Development Department" to carry out the mandate of [SB 921].

Will the State of Oregon 'own' the 'shipyards' or will private industries?
