On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure, Appointment or Topic: HB2029

Dear Chairman Nosse and Members of the House Committee on Behavioral Health and Health Care:

My name is Laura D Guerrero and I am a LCSW.

I am a therapist in Southern Oregon and have been practicing for 10 years with hospice and end of life care that also centers on grief counseling

I am writing this letter in support of HB2029.

Insurance audits are abusive and unfair and limit access to care to the people of Oregon. Please help stop this practice.

Thank you for supporting this bill.

Sincerely,

Laura D Guerrero, LCSW
