

Submitter:	Kenneth Goe
On Behalf Of:	Geraldine Goe
Committee:	House Committee On Labor and Workplace Standards
Measure, Appointment or Topic:	HB2548

I have worked alongside with my family for many years. I have watched, over the years, our Oregon government work to control and demolish the Ag Industry. Farm families, which include our employees, work very hard together and are proud of their work. As more rules and regulations control our ability to produce agricultural products and to be able to afford to harvest our products, more people will lose their jobs and home. Our community deserves better.
