On Behalf Of: 2029
Committee: House Committee On Behavioral Health and Health
Care
Measure, Appointment or Topic: HB2029

Dear Chairman Nosse and Members of the House Committee on Behavioral Health and Health Care:

I am a psychologist in Ashland, where I have been practicing for the past 25 years. I am writing to voice my support of HB2029. I strongly believe that insurance audits are abusive and unfair and serve to limit access to care to the people of Oregon. You have the opportunity now to help stop this practice.

Please exercise your power for good and support this bill.

Sincerely,

Scott Bendoroff, Ph.D.
