

Submitter: Christine Taylor

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB681

We urgently need to be investing in green, renewable energy. I support this bill which would prohibit the state treasurer from investing public monies in fossil fuels or other non-renewable energy.

We need to do all we can to ensure that our children and grandchildren inherit an earth that they can enjoy just as we have. This is one opportunity to help keep Oregon, beautiful and healthy.
