Measure, Appointment or Topic: SB611

I am the granddaughter of Mexican and Fijian immigrants. I grew up listening to my grandpa talk about his experience of extreme food insecurity— that should never happen in a country with wealth and resources like this one. Oregon is my home...it is also home to immigrants and refugees who deserve access to essential, basic resources regardless of immigration status. Let's do the right thing and pass SB 611! I am in support of Food For All Oregonians.
