

Submitter: Benjamin Ben-Baruch

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

It is simply inhumane to deny someone access to food because of a concocted legal status. When I saw a homeless family being turned away from a food line and saw the pain and sorry and shame in their faces I was traumatized. My own feelings of compassion for the family, my own inability to help them at that moment, my anger at a society that can treat neighbors so poorly has stayed with me. Nobody should be denied food because of some concocted legal status!
