Committee: House Committee On Behavioral Health and Health Care

Measure, Appointment or Topic: HB2029

Dear Chairman Nosse and Members of the House Committee on Behavioral Health and Health Care:

My name is Ann E Funkhouser and I am an LPC.

I am a therapist in Jackson County, Oregon and have been practicing for 16 years.

I am writing this letter in support of HB2029.

Insurance audits are abusive and unfair and limit access to care to the people of Oregon. Please help stop this practice.

It impacts the right to privacy for my clients which directly impacts the therapeutic process.

Thank you for supporting this bill.

Sincerely,

Your name.

Ann E Funkhouser, LPC
